eGovernment Implementation Plan 2017-2025 (Plan De Implementación de Gobierno Electrónico 2017-2025)

Plurinational State of Bolivia (Estado Plurinacional de Bolivia)

Five objectives

1. Guarantee equitable distribution and efficient use of the radio spectrum;
2. Ensure the right to universal and equitable access to telecommunications services, ICT, and the postal service;
3. Guarantee the development of telecommunications networks and ICT;
4. Protect the environment through responsible use of the radio spectrum, and the installation of infrastructure that benefits current and future generations; and
5. Promote the use of ICT to improve conditions of life.
